PLAN

Sweet Birch Duplex

This thoughtfully designed 2,688 square foot, two-story duplex offers a spacious, modern layout across three finished levels, with functional upgrades throughout. The main floor features an open-concept design that seamlessly connects the kitchen, family room, and morning room, creating a bright and inviting living space. The upgraded kitchen is equipped with quartz countertops, tile backsplash, slate electric appliances, under-cabinet lighting, recessed lighting, and upgraded cabinetry—all combining for both style and efficiency. The adjacent morning room, a structural upgrade, provides additional living space and direct access to a rear deck,
